

Table Of Contents

Chapter 1	Introduction & General Information
Chapter 2	CADD Drafting Standards
Chapter 3	Standard Sheets & Cells Appendix A - Standard Sheet List Appendix B - Cell List
Chapter 4	Bridge Program Drawings
Section 4.01	Preliminary w/ Checklist
Section 4.02	General Notes w/ Appendix A – General Notes and Appendix B – Design Data Notes
Section 4.03	General Plan and Elevation w/ Checklist
Section 4.04	Substructure Layout w/ Checklist
Section 4.05	Riprap and Gabions w/ Checklist
Section 4.06	Geology
Section 4.07	Abutments w/ Checklist
Section 4.08	Bent/Pier w/ Checklist
Section 4.09	Superstructure w/ Checklist
Section 4.10	Bridge Railing w/ Checklist and Appendix A – Bridge Railing Multiple Length Post Spacing Standard Bridge Railing Sheets
Section 4.11	Pedestrian Railing w/ Checklist Standard Pedestrian Railing Sheets Standard Pedestrian Safety Railing Sheets
Section 4.12	Lighting
Section 4.13	Slab w/ Checklist
Section 4.14	Approach Slabs w/ Checklist
Section 4.15	Slope Paving and Slope Reinforcing w/ Checklist
Section 4.16	Utilities
Section 4.17	Culverts w/ Checklist
Section 4.18	Miscellaneous Hydraulic Structures

Section 4.19	Reinforcing Steel
Section 4.20	Sign Structures Standard Sign Structure Sheets
Section 4.21	Earth Retaining Structures w/ Checklist
Section 4.22	Preservation and Rehabilitation w/ Checklist
Chapter 5	Quantities Calculations
Chapter 6	Project Management (under construction)
Chapter 7	Shop Drawings and Inspection (under construction)
Chapter 8	Structure Inventory (under construction)
Chapter 9	Glossary (under construction)
