STATE OF WYOMING CERTIFICATE OF TITLE SURETY BOND INSTRUCTIONS

- A Bond for Certificate of Title is required for circumstances where the owner of a vehicle is requesting a
 Duplicate Certificate of Title or is not able to obtain a properly executed certificate of title upon transfer of
 ownership pursuant to 31-2-105. The Surety Bond is a one-time, non-refundable instrument that allows
 issuance of a new title. A Bond for Certificate of Title is NOT required for vehicles that are valued at
 less than \$2500.
- 2. The bond shall be submitted in a **dollar amount equal two times the value of the vehicle**.
- 3. The first blank is the legal name of the applicant as stated on the Affidavit of Vehicle Ownership. The second line needs to list the address of the applicant. The third blank is the name of the surety company, and the fourth blank is the state the surety company is organized in. Except for signatures, all information on the bond must be typed or printed. Do not use Whiteout on the bonds. If a change needs to be made, strikethrough the mistake and have the notary initial the change.
- 4. The fifth and sixth blanks indicate the dollar amount of the bond, which equals double the value of the vehicle as stated on the Affidavit of Vehicle Ownership, and supported by documentation thereof. The remaining blanks describe the vehicle, value of the vehicle, and current title and license number with issuing state.
- 5. The Executed by Principal date *must* match that of the notary's acknowledgement. This shows that the Principal's signature was actually witnessed by the notary.
- 6. The applicant claiming ownership of the vehicle must sign as the Principal. If there are two applicants claiming ownership from the same Affidavit of Vehicle Ownership, the second owner shall sign as additional owner. All signatures must be before a notary public. *Completion of an inappropriate bond form may delay issuance of a title.*
- 6. When the surety company executes the bond by an attorney-in-fact, the dates of (a) the Power of Attorney, (b) the acknowledgement of the surety's signature on the bond form, and (c) the date of the bond's execution must all be the same. *Differing dates will result in the bond being rejected.*
- 7. When the surety company executes the bond by an attorney-in-fact, the bond must be accompanied by a certification regarding the attorney-in-fact. Contact us should you be unsure of the contents of this document. The certification must be signed, dated and bear the company's seal. Signatures and seals may be affixed by facsimile, but the date must be original.
- 8. The surety company's bond number should appear at the top of form.
